

CHINESE COMPANY INTERSTED IN PARTNERSHIP

China Communications Construction Company Limited (CCCC) has expressed interest to partner with Government of the Republic of Zambia in the area of infrastructure development.

The Chinese Company want to partner with Government through Public Private Partnership (PPP), Build Operate and Transfer (BOOT) and Engineer Procure Construct plus Finance (EPC+F) ventures.

This came to light on 10th January 2018 when DING JIANMING, CCCC Deputy General Manager met with the Minister of Housing and infrastructure Development Hon. RONALD CHITOTELA, M.P at his office.

The meeting was attended by Permanent Secretary in the Ministry of Housing and Infrastructure Development Eng. CHARLES MUSHOTA together with Road Development Agency Chief Executive Officer ELAIS MWAPE and National Council for Construction Executive Director MATHEW NGULUBE and Directors and other senior officers from the Ministry of Housing and Infrastructure Development.

CCCC is a Mother Company with forty (40) construction entities specialized in aviation, rail, and roads and maritime.

The company has constructed the \$15 Billion World's longest bridge, the HONG Kong-Zhuhai-Macau Bridge which is a 54 km complex sea crossing project consisting of a series of three cable stayed bridges and one undersea tunnel.
